# FROM THE PRESIDENT

I would like to thank all of the NUTS members for the support during the last two years. It has been an enjoyable and rewarding experience. The work required is certainly easier and more enjoyable when you have support from the membership.

Harry Campbell did his usual fine job as our speaker for November. We always have a problem when we have such knowledgeable speakers as Harry. We don't have enough time for presentation of all their material. A big "THANK YOU" to Harry.

Bob Campbell will be showing us how to clean and take care of tokens and coins at the January meeting. With all the new members we have in the club, he should have a good audience.

I would like to congratulate our new board members and officers elected at the November meeting. With six new board-members we should have a lot of new ideas and a good year. A list of the officers and boardmembers is in the newsletter.

The new meeting room worked out real fine. We are away from all the distractions and noise in the gymnasium. There is plenty of room and an access door to the north parking lot. For anyone who doesn't know where the new meeting room is, go west past the restrooms and then north to the end of the hallway.

See you at the Christmas dinner on the 26th. MERRY CHRISTMAS.

BYRON

TOKEN HUNTER NOTES:

I want to personally thank everyone for their help and support this past year. It has been a fun and exciting experience to be the editor of the Token Hunter. I feel it was an honor to serve in this capacity. As I reflect back on this past year, I realize how much I have learned about the old ghost towns in Utah and Nevada. It was fun to research and read about years past. Thank you all for the opportunity.
